

What is your role with KYSA?

U18 Select – Assistant Captain.

How long have you been involved with KYSA?

Since 2006.

Why did you become part of KYSA?

Soccer is one of my favorite sports and I love a challenge. House soccer was not providing the level of competition I wanted so I started playing development soccer.

What is your favorite soccer-related memory?

Winning Slurpee Cup 2018 on the U18 team as a U17 player.

What is your favorite soccer team?

I like the Whitecaps, but THIS TEAM (U18 Select) is my personal favorite. I like the girls I play with and having Mark as my coach. I actually take Mark baked snacks to every practice because he works hard and is on the pitch most of the day!

What do you love about Kamloops?

I love the Shuswap and enjoy surfing. I also love winter sports and play hockey, ski and snowboard. Kamloops has sports for every season.

Where would you like to go on a dream vacation?

I've been to Hawaii twice and of all the places in the world this is by far my dream vacation if I could go anywhere. I wish I could attend the University of Hawaii!
