

What is your role with KYSA?

Tasha: Coach the U10 Sparkles girls, Coach the U8 girls team Raptors and help with U10 prep

Corinn: I am currently the Assistant Coach of the U10 Sparkles team and a fan of other Kamloops Blaze teams.

How long have you been involved with KYSA?

Tasha: Seven years

Corinn: I have been involved with KYSA as a soccer fan since 2010 and as a soccer coach since 2012 (I have been the assistant coach of both my daughter's teams).

Why did you become part of KYSA?

Tasha: Love to coach! Love seeing the players develop!

Corinn: I became a part of KYSA because I saw Coach Nicole Hagan on the field coaching my older daughter's first game and the sideline blanket was utter chaos. I just kind of slid onto the blanket to help that night and never stopped. I had so much fun with those girls that I convinced Coach Tasha to let me coach the Sparkles with her. I lead her to believe that I was organized and know lots about soccer...very sorry Tasha!

What is your favorite soccer-related memory?

Tasha: Watching my U5 Sparkles team grow up into amazing soccer players! The group has been together for a while and not only are they best buds on the pitch they are best of friends off the pitch! They try their hardest each and every game and have developed into amazing young ladies!

Corinn: I have so many soccer related memories – I have loved getting to know the girls in a different capacity and watching them grow up. I also have met some great friends through soccer.

What is your favorite soccer team?

Tasha: Sparkles of course with Raptors being a close second!

Corinn: Any team that has my three kids or my niece on the team is my favorite team.

What do you love about Kamloops?

Tasha: The four seasons are amazing! Wicked ski hills and beautiful lakes all close by! Kamloops has great opportunities for so many different athletic programs for kids!

Corinn: I love the people in Kamloops. This community has so many awesome people.

Where would you like to go on a dream vacation?

Tasha: Africa on a safari!

Corinn: This question is difficult – I have many dream vacations on my bucket list. My family drove across Canada last summer and that was one of my dream trips – it was amazing!
