Referee Abuse

Most of our referees are young (12 to 14) and learning to officiate the game and grow their confidence

The KYSA has a ZERO TOLERANCE toward any form of referee abuse or harassment and will pursue significant discipline (read suspensions) should it be warranted.

The KYSA does wish to receive feedback about our referees. Please bring your observations forward to our office at kysaed@telus.net

Child Safety

Speak Up & Ask for Help!

We encourage all members to speak up if they feel there is an issue or if something doesn't seem quite right. If there is an immediate threat or danger please call 911 or the local RCMP right away.

Please take the following steps to report an issue:

- 1) Speak with your coach (if appropriate)
- 2) Contact KYSA Staff - Missy Cederholm (kysaed@telus.net) or Ciaran McMahon (kysatd@telus.net)
- 3) Contact the Discipline Committee Chair - Andrew Williams (andrew.thayne.williams@gmail.com)
- 4) Contact an independent 3rd party if you feel uncomfortable dealing with KYSA directly

3 Types of Sideline Communication

Supportive

- Attentive Silence
- Cheering both sides for positive outcomes
- Encouragement & praise

KEEP IT COMING!

Distracting

- Instructive in nature
- “Go to the ball!”
- “Pass it to...!”
- “Shoot!”
- “Not there!”

BE MINDFUL AND
ELIMINATE!

Hostile

- Yelling at referees
- Yelling at your own child
- Yelling at other players
- Yelling at other parents

PUT AN END TO THIS!

KYSA Philosophy

As leaders, role models, mentors and managers, we at the KYSA seek to support:

- As many participants as possible
- For as long as possible
- In the best environment possible

In everything you do we as leaders, you must put the needs of the player above any win or loss. In everything you do as participants, you must appreciate that you are a part of a whole and look to contribute the best of yourself toward the needs of the team.

All participants, provided they are healthy and have demonstrated positive, pro-social behaviour, are entitled to equal game time between U7 to U13 and 50% game time from U14 to U18.

Team Expectations

- Communicate your attendance promptly and always
- Arrive on time (5 min before all practices, 30 min before all scheduled game kick-off times)
- Parents on the opposite sideline from coaches (unless otherwise communicated)
- Coaches “coach”, referees “officiate”, parents “support”
- Issues or concerns - You team coach is your first point of contact for any issues with respect to your child. Please respect that coaches are busy immediately before, during and after all practices and games. Sensitive items are best discussed away from the field. Coaches and parents are encouraged to find a common ground solutions to addressing issues rather than taking a stand against each other
